DUSTIN FARRELL

Dusty is recognized for his awesome pimped out “Nolting Longarms”, his incredibly fast quilting, “Quilting in the Dark” and his life like thread art. He has quilted for several designers, appeared in magazines, Quilt It and Linda Taylor’s online programs. But best of all he loves his students. Dusty and his wife own a quilt shop in NW Pennsylvania. He still quilts for customers daily, well, when he’s home anyway.
